

POWERtalk Certified Judges

The POWER*talk* Certified Speech Contest Judges listed below are available to help outside organisations to judge community or school events. These members have demonstrated knowledge and experience in judging and have been assessed against strict criteria. They are highly experienced in judging contests.

Judging a speech contest is not easy. Our judges can give an unbiased, objective view and offer pertinent recommendations to help all speech contest participants. If you know where one of our POWER*talk* Certified Speech Contest Judges might be required, please email info@powertalkaustralia.org.au to see if he/she is available.

Our judges are qualified to serve at their own Council and Region contests at the discretion of the Speech Contest Chairman at that level.
